

THE DEPUTY SECRETARY OF DEFENSE
WASHINGTON, D. C. 20301

MAY 4 1976

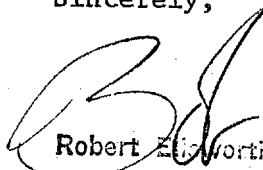

Honorable George Bush
Director of Central Intelligence
Washington, D.C. 20505

Dear George:

As you are aware, we are striving to make our automated intelligence files increasingly useful to community analysts and other users. To improve the currency, accuracy and completeness of files available in the Community On-Line Intelligence System (COINS), Tom Latimer, as Executive Agent for COINS, has authorized the COINS Project Manager to institute certain quality control procedures. A copy of the tasking memorandum is attached. By separate memorandum he has requested the cooperation of the DoD file contributors to COINS.

I solicit your cooperation, also, in assuring the timeliness and responsiveness of whatever remedial actions may be required of CIA and NPIC to assist the COINS Project Manager in this task.

Sincerely,

Robert Ellsworth
